### **Airmar Technology Named Top 20 Finalist in 2015 SBANE Innovation Competition**

**FOR IMMEDIATE RELEASE: MILFORD, NH. (April 9th, 2015)** – The Smaller Business Association of New England (SBANE), sponsor of the New England Innovation Awards since its inception in 1986, proudly announces the 2015 Finalists. Airmar Technology Corporation was selected from 175 innovative organizations to compete in the final phase of this competition.

Innovation is at the heart of economic prosperity and SBANE continues to recognize those companies and organizations that have transformed their innovative ideas into a product or service that delivers proven value to customers. Former winners come from varying fields such as technology, manufacturing, service (both for profit and not for profit), and retail / distribution. Winners include notable companies such as Staples, PictureTel, Ben & Jerry's, Brooks Automation, Direct Tire, Genzyme, Nantucket Nectars, Imagitas!, Aurora Imaging Technology, and iRobot.

Winners and Finalists of this prestigious award will be honored at the "Evening of Innovation" Gala Dinner on May 6, 2015 at the Westin Hotel, Waltham MA. The keynote speaker for this Gala Dinner will be Alan S. McKim, Chairman and Chief Executive Officer, Clean Harbors.

#### About AIRMAR

Airmar Technology Corporation is a world leader in ultrasonic sensor technology for marine and industrial applications. We manufacture advanced ultrasonic transducers, flow sensors, WeatherStation instruments, and electronic compasses used for a wide variety of applications. Fishing, navigation, meteorology, survey, level measurement, process control, and proximity sensing are just some of our markets. Established in 1982, Airmar's headquarters are located in Milford, New Hampshire with distribution offices in Lake City, South Carolina and Saint Malo, France. Visit the Company's web site at [www.airmar.com](http://www.airmar.com).
